

Oklahoma State University

WOMEN'S CLUB
SOCCER

General Information

OSU Women's Club Soccer is a student organization for anyone who loves soccer! We have practices as a team, every Monday and Wednesday from 7-9pm. In the fall semester, we play in the Texas Collegiate Soccer League, where we play other University's club teams. Anyone and everyone is welcome to be a member of the club, however there will be a designated team for travel and competitive play.

For away games we carpool in 3 vehicles, and every person who volunteers to drive will be reimbursed for gas by the club. Games will take essentially all day so it is imperative that each player blocks their schedules out for game days. At the beginning of each semester, players who make the team pay a due that covers the gas, ref fees, league fees, uniforms and miscellaneous needs of the club.
